

VEGAS NITE

Foaled May 19, 1999, Vegas is a black bay filly with no white. If kept up, would be almost black. Ground work has been started, but she is not under saddle. She is still growing, so is being given more time to develop. Refined appearance.

Her sire is Rahshod, homozygous black. Top Ten Cutting Futurity and Regional Top Five Novice winner with a brief career in dressage. His sire and dam are both English Pleasure winners and she is showing that heritage. Dam is a dark bay, Staunch Avenger bred thoroughbred mare that was never broken. She is a large bodied dark mare.
